Classes in Argentine Tango in the Milonguero Style
Saturday, March 4 - Monday, March 6, 2006

The Harwood Art Center Theater Studio

1114 7th St. NW, Albuquerque, New Mexico

7th at Mountain Rd. NW. Enter via north parking lot basement stairs.

Tango Downtown is proud to present Alicia's 4th Tango Downtown workshop, March 4-6, 2006. Her elegant apilado style, clear methodology, and warm personality make her a favorite with students in both the U.S. & Argentina. Alicia Pons is an elegant and accomplished dancer with refined technique and distinctive personality. Her ability to imbue the role of the woman with verve & style has made her one of the most sought after female partners in Buenos Aires milongas. She is noted for her foot play, which is done with humor and decorum. She exemplifies presence in the dance; this is a focus in her teaching for both men and women.
