

# Tango Downtown

presents

Caroline Peattie & Christopher Nassopoulos

November 3 - 5, 2007

The Harwood Art Center Theater Studio

1114 7th St NW, Albuquerque, New Mexico

(7th Street at Mountain Road NW. Enter via north parking lot basement stairs.)

Known for their musicality and dynamic movement, Caroline Peattie and Christopher Nassopoulos are two of the best-known milonguero-style instructors of Argentine tango in the United States. Skilled yet unpretentious, Caroline and Christopher have the incisive ability to analyze movement and help improve a student's technique on even the most subtle levels. In addition, both Caroline and Christopher lead and follow, giving them further insight into the technique of and relationship between the two roles. They give their students the building blocks they need to create their own improvisational dance, using the beauty of the music and the embrace of their partner as their ultimate guide.
